

TxDOT plans to hold a public meeting for the widening of IH-10 from west of Adam's Bayou to east of the Sabine River on [Thursday](#), February 7 at the West-Orange Stark Elementary School in Orange. The meeting is scheduled to begin at 5:00pm and will last until 7:00 pm. We will be welcoming our elected officials beginning at 4:00 pm. The public notice will be posted shortly. The proposed improvements will include the widening of IH-10 to three lanes in each direction, a shift of the frontage roads over Adam's Bayou to be adjacent to the mainline bridge traffic (eliminating the frontage road bridges), and will eliminate access to the properties within Adam's Bayou.
