

**Orange County Development and Floodplain  
Electrical Power Release Form**

11475-C FM 1442, Orange, Texas 77630 Phone 409-745-1463  
Email: environmental@co.orange.tx.us

Complete and send to the email address listed above.

Name on the Entergy Account: \_\_\_\_\_

Address on the Entergy Account: \_\_\_\_\_

Contact Phone #: \_\_\_\_\_

Permit #: \_\_\_\_\_

Entergy Account #: \_\_\_\_\_

Temporary Power

Permanent Power

**Requirements:**

Development and Floodplain only sends the supplied information to Entergy; once sent, the customer must contact Entergy for scheduling. (1-800-ENTERGY)

The address on the form must match exactly the address the electrical service provider assigned to the meter and the address on the permit.

If inspections are required, all three inspections will be submitted to the Development and Floodplain office. The framing inspection must be completed/passed and on file with our office before permanent power can be released.

If an elevation certificate is required, the elevation certificate marked **finished construction** is required to be submitted within 30 days of the receipt of the final inspection.

Proof of connection to water and sewer may be required prior to release of power.

Please select one of the following:

Owner       Contractor       Representative       Tenant

I understand and agree to the requirements explained above.
